Donia a BMW student in Madagascar.

My calling: God has called me through my relation with Teen Missions. It is about preaching the Gospel of Jesus Christ. I've been in tune within four years, getting acquainted with TMI Madagascar. I've been to Boot Camp for 4 years (2020-2023). I went to many projects over the years. But this year, (2023), God has called me to be a missionary. He wants me to share the Gospel and fulfill His work. I knew that it was irrevocable so I followed Isaiah, the prophet's, step: "Here I am Lord, send me." (Isaiah 6:8b). I am convinced about the work of the Lord and I am ready to accomplish my mission. That's why I am pursuing my career to be a missionary for the sake of the Gospel. The reason why I wanted to attend BMW training is that when I was in 9th grade, I had in mind to become a BMW student. So I couldn't concentrate with my study at school. But the idea of becoming a missionary and to drawing my friends to Christ got me through the years. God has accomplished my wish and now I am committed. Praise God.
