Needed! A Shipping Container!

Sub-Saharan Africa is more heavily affected by AIDS than any other region of the world. Worldwide, there are an estimated 15 million AIDS Orphans. Of that number, 11.6 million live in sub-Saharan Africa. There are approximately 560,000 AIDS orphans in Malawi alone.

The vision and goal of Teen Missions is to provide for children whose parents have died of the HIV/AIDS virus, and children or widows who do not have a sustaining family. We are in the process of trying to provide cold weather gear for 14 AIDS ORPHANS Rescue Units. Each Rescue Unit reaches an average of 200 children.

We want to send a 20 ft. cargo container full of blankets, jackets, and sweaters.

**Teen Missions Turns 40!!!**

Would you be willing to donate $40 to help in our world-wide ministry to share the Gospel?

We are on Facebook! Become a fan at http://facebook.com/teenmissions

**How can you help?**

Here is a list of our needs.

**Prayer:** For the children and this project:

**Donations:** For costs involved in buying and shipping the cargo container from Florida to Africa.

- 20 ft Cargo container
  (cargo container will be used for shipping and then grain storage.)
- $9,000 USD need for buying and shipping the container.

**Former Team Members** — have you ever wondered what happens to all of those clothes you leave at Boot Camp in the "Missionary Barrel"? They have been washed and are waiting to be shipped overseas to needy little orphans like those pictured here.

*But whoso hath this world’s good, and seeth his brother have need, and shutteth up his bowels of compassion from him, how dwelleth the love of God in him?* - 1 John 3:17 (KJV)
Malawi

A small land-locked country in southern Africa, is known as the “warm heart of Africa.” The people are very open and friendly, clearly living up to their motto. The landscape of Malawi is mountainous in parts and the beautiful Lake Malawi stretches along almost the entire length of the nation. Of the 13 million citizens, 900,000 are living with HIV/AIDS and life expectancy is only 43 years. There are up to 400,000 AIDS orphans. Around 80% of the population survives on less than $1 a day. The major source of income for Malawi is agriculture, especially tobacco. Though Christianity is widespread in Malawi, there are many who practice witchcraft or other tribal beliefs. There is also a large population of Muslims.

AIDS Orphans and Street Children opened its first Orphans Rescue Unit in November of 2001. This new concept in taking the “orphanage to the orphan” has been very successful and is literally saving lives. Through these Units we are meeting needs of children who once had no one to care for them. We are also making a difference by enhancing village life through the donations of nutrition seminars, wells and grinding mills. As we are driven by the compassion of Christ, we have been seeing more ways that we can improve the standard of living for these people by providing more service opportunities. Each project enables us to have additional outreach with not only the orphans, but also their entire villages. We do not want to just meet their physical needs, but want to meet their spiritual needs as well by introducing them to the Lord Jesus Christ.

Give, and it shall be given unto you: good measure, pressed down, and shaken together, and running over, shall men give into your bosom. For with the same measure that ye measure it shall be measured to you again.

Luke 6:38 (KJV)

MALAWI, AFRICA Shipping Container PROJECT

SHIPPING CONTAINER AND FUNDS TO SHIP IT

With God’s help, I would like to help in preparing the orphans in Malawi, Africa, for winter!
